

1

The ITIA believes you have committed a Corruption Offense(s).
(see **paragraph A** of the accompanying letter)

2

The potential sanctions should your case proceed to a hearing could be up to a life suspension from participating in professional tennis and a \$250,000 fine.
(see **paragraph B** of the accompanying letter)

3

The ITIA is offering you the opportunity to admit the offense(s) alleged by the ITIA and accept an agreed sanction at this stage which incorporates discounts for your early admission.
(see **paragraph C** of the accompanying letter)

You do not have to accept the proposal and can instead choose to have your case resolved at a hearing before an independent AHO. You should note that the AHO may impose a higher sanction which will not include the discount for early admission being proposed by the ITIA now.

Do you wish to accept the ITIA's proposal?

Sign the bottom of the letter and send a copy to cases@itia.tennis within 10 business days.

Your sanction as set out in the attached letter will become final. The ITIA will confirm receipt of your signed letter and confirm the end date of your suspension.

Matters already before an AHO will be finalised immediately. You may not later appeal your sanction.

If you have not accepted the proposal within 10 business days the matter will be determined by an AHO.

You may also be provisionally suspended pending determination of the matter.
