# Whereabouts: Changes to quarterly submission deadlines

PROTECTING THE PLAYER

SWIPE →

# What do I need to do?

The next deadline is 10 June, so submit your Whereabouts for Q3 2026 before that date.

The deadline for Q4 2026 is **10 September**.

WADA's new rules will set the deadline at the 15<sup>th</sup> of the month before the next quarter. The ITIA has set an earlier deadline so that we can remind players to act before they receive a filing failure.

# Why now?

WADA rule changes will take effect from 2027, but the ITIA is starting this process now:

- to help players prepare for the official change
- to reduce the risk of filing failures

# Who can I speak to?

The ITIA anti-doping team is always available to help you and your support team with these changes.

You can reach us through:

- WhatsApp on The Line
- Social media direct message
- The ITIA app, website, or email
- The Tennis Anti-Doping Portal

# Stay informed

The ITIA team is on hand to offer guidance to players and their support personnel, and more information is available on our website and app: **itia.tennis**
